Request for 50 per cent textile requirement by handlooms on conversion basis

1756. SHRI PRAGADA KOTAIAH: Will the Minister of TEXTILES be pleased to state:

(a) whether Government are in receipt of representations from handloom weavers requesting Government to get atleast 50 per cent of textile requirements produced on handlooms of conversion basis, in view of the failure of the S.I.M.A. Coimbatore to supply yarn at prebudget prices as promised by it to the Government of India; and

(b) if so, the action taken thereon?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI ASHOK GEHLOT): (a) Yes, Sir.

(b) The basic idea behind promoting formation of cooperative societies and setting up of Handloom Development Corporations in different States was to supply yarn through these agencies to the weavers and on payment of reasonable wages. procure and then market woven products either through retail, wholesale or through supplies to Government departments. One of the problems of weavers in Andhra Pradesh was the decision of the State Government to withdraw the earlier priority accorded to handloom agencies in supply of liveries and other items to Government departments. The State Government has since restored the earlier position and off-take of handloom products has improved. Ministry of Textiles has taken up with various Union Ministries and Departments as also with public sector undertakings to give priority to handloom products for meeting their textile requirements.
